Grade 1 to Grade 5 Student Supply Fee, \$35.00

Dear Parent(s)/Guardian(s),

For the 2018-2019 school year at West Northfield Elementary we would like to have each classroom teacher choose and purchase a year's worth of the necessary supplies needed for each child in their classroom. Parents/Guardians WILL NOT have to purchase supplies. By having teachers take on this task, the school is able to purchase top quality supplies at low prices through the bulk purchase program and parents enjoy the convenience of not having to continually shop around to find the needed supplies. Teachers also benefit from having all students working with the same type and quality of supplies. This Student Supply Fee is for Grade 1 through to Grade 5. *For our Grade 6 students, a supply list for the parents to purchase will be sent home.*

This fee does not include sneakers, book bags or lunch boxes.

The fee is **\$35.00/student**.

Student supply money can be paid by **Friday, June 29th** OR also in September by **Thursday, September 13th**. Cash or cheques made out to West Northfield Elementary are accepted.

We believe this will be a positive initiative for all and a cost savings for our parents/guardians.

Thank you,

Deanna Rawding
Principal
